

Please Consider Joining Thousands Who Have Prayed Nathan's Prayer

It would be the greatest honor you could give us, and also possibly a powerful step for you - especially if you are hurting - to pray Nathan's Prayer.

Why?

This simple act helps you and us. It seems crazy, but we are stunned by what has happened as people have prayed Nathan's Prayer. Things have changed for the better in their lives and ours. It was forged during a time of extreme pain. Somehow it captures something surprisingly powerful.

If you haven't given it a try, please join with us in Nathan's Prayer! All the words might not make sense to you but that's okay. God will honor your prayer.

Some people especially like to pray it around his birthday which is November 3rd.

If you or someone you know has prematurely lost a loved one:

1. Feel free to substitute the name of that lost loved one.
2. If you want to, please share *Nathan's Prayer*.
